

# SUNDAY CLUB WORKSHEET

NAME

## GETTING TO KNOW GOD

**Reminder: what we know so far... (draw a line to the words we have discovered about God and their correct meaning...)**

**GOD IS...**

CREATOR

He has always been there

ETERNAL

He is stronger than anything.  
Nothing is too hard for Him.

ALMIGHTY

He has made everything

We are not always good at keeping our promises. Can you even count how many times you have promised to be good but only gone and been naughty! God is completely faithful and never breaks a promise He makes. The Bible is a story of God keeping His promise and being faithful to His people - even when we treat Him badly. We have all been making and seeing lots of Rainbows in the past few weeks. The Rainbow is an amazing symbol of an amazing promise God made.

**Read Genesis**  
**chapter 9,**  
**verses 12-17**

**Discuss:** What does God promise?

And who does he promise it to?

Do you know what had happened to Noah/the world that lead to this promise?

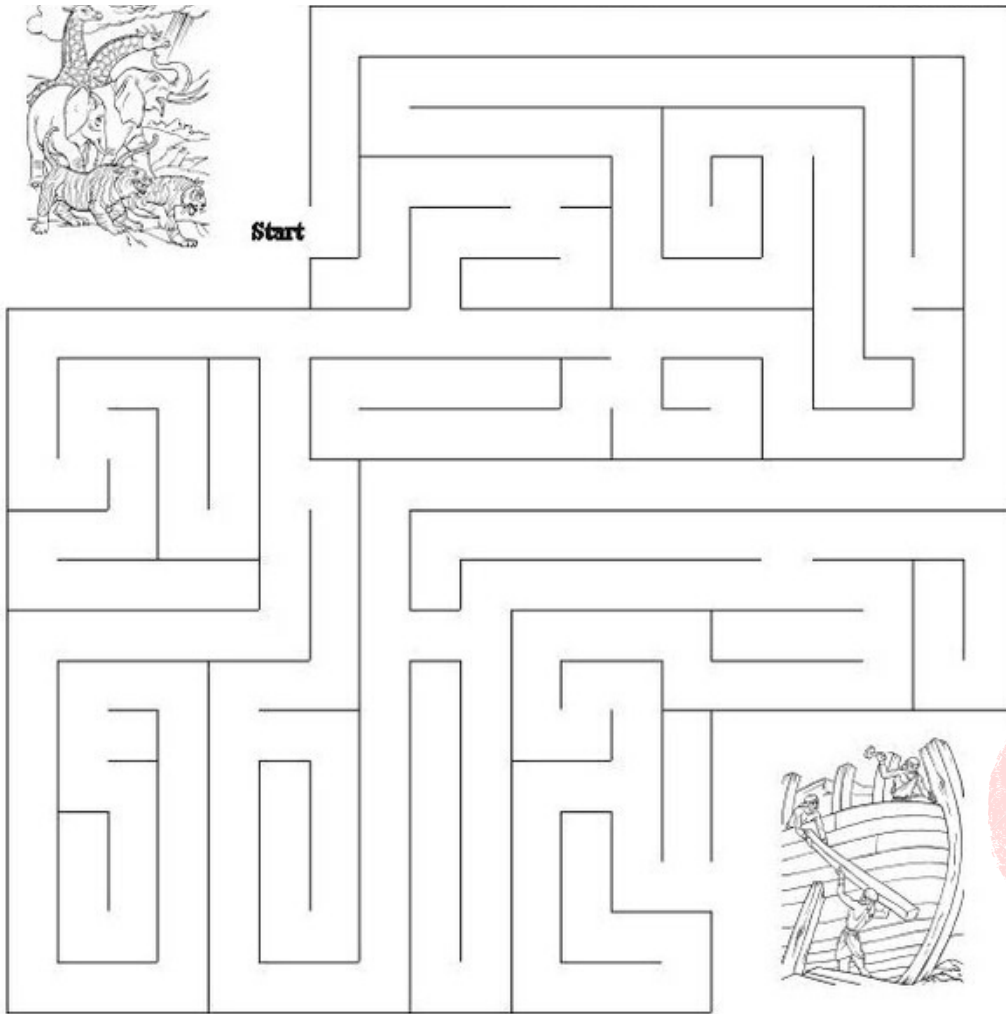

When you see a rainbow what can you remember?

**COLOUR THE RAINBOW TO HELP YOUR REMEMBER GOD'S FAITHFULNESS TO NOAH, YOU AND THE WHOLE EARTH!**

There is another sheet for you to cut out and make an ark poster with some animals and Noah. You will need scissors, paper, colouring pencils/pens/crayons and glue.

Maybe you could add in Noah's family and some other animals too?

GOD'S  
LOVE IS  
A-MAZE-ING

### Prayer Points...

- **Thank God** for his faithfulness even when we do bad things
- Pray for **Kenny and the elders** of Dowanvale
- **Thank God** that Douglas and Tina's son was able to get home to them after being stranded

Next Week: God is...

**Holy**
