AND THIS  
WEEK....

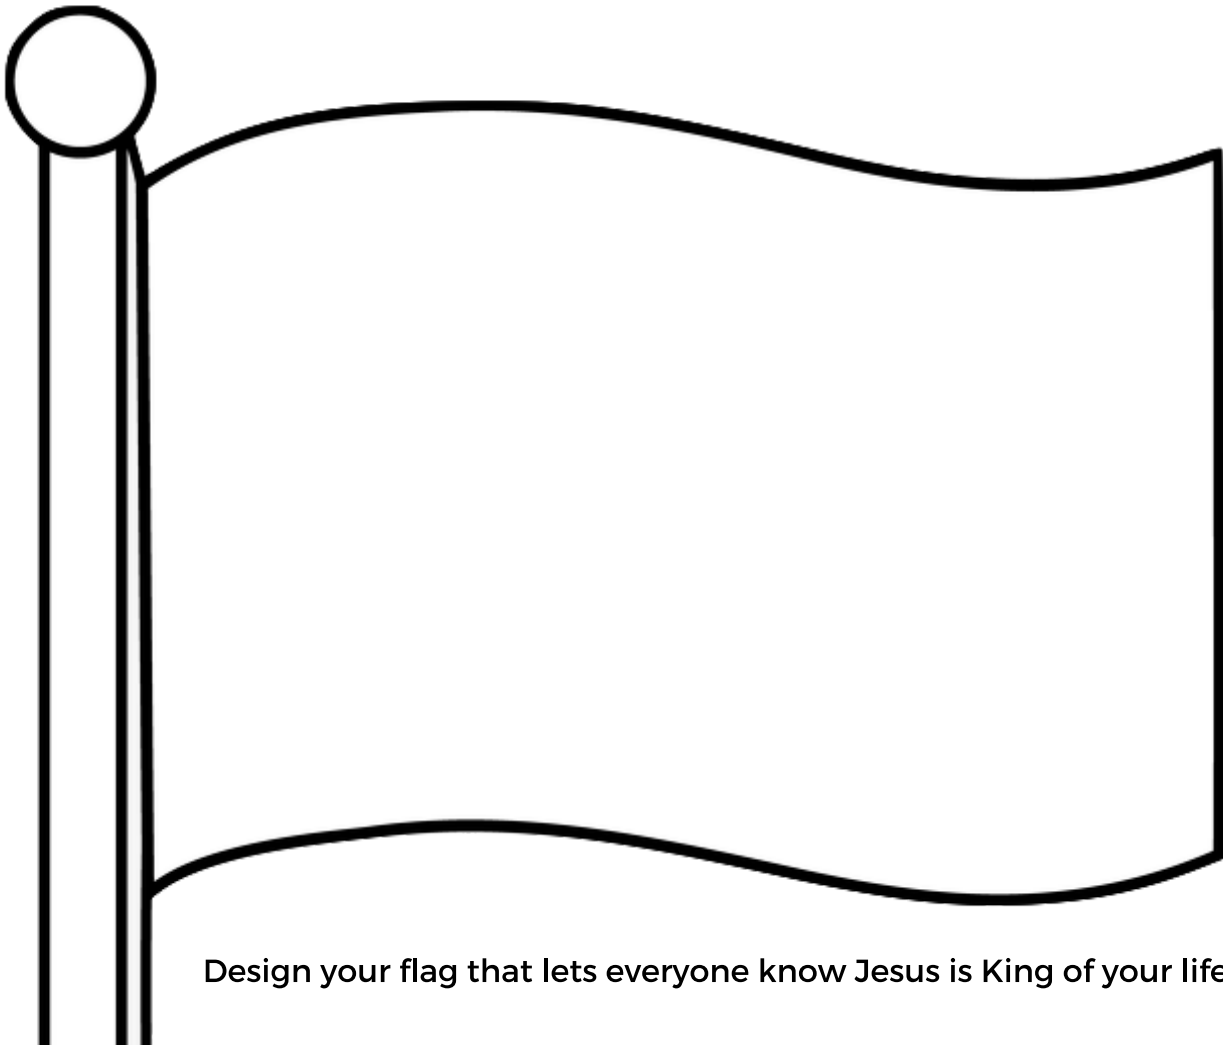

K \_ \_ \_

God is the great King. The greatest King. And he is the good King.  
How do you know what the king is living in his castle?  
The 🚩 is flying over the castle. It tells everyone he's at home.  
The bible says when Jesus comes to live in your heart he brings his flag with him. It flies over your life, showing everyone the King is at home. What is Jesus's flag?

## J O Y

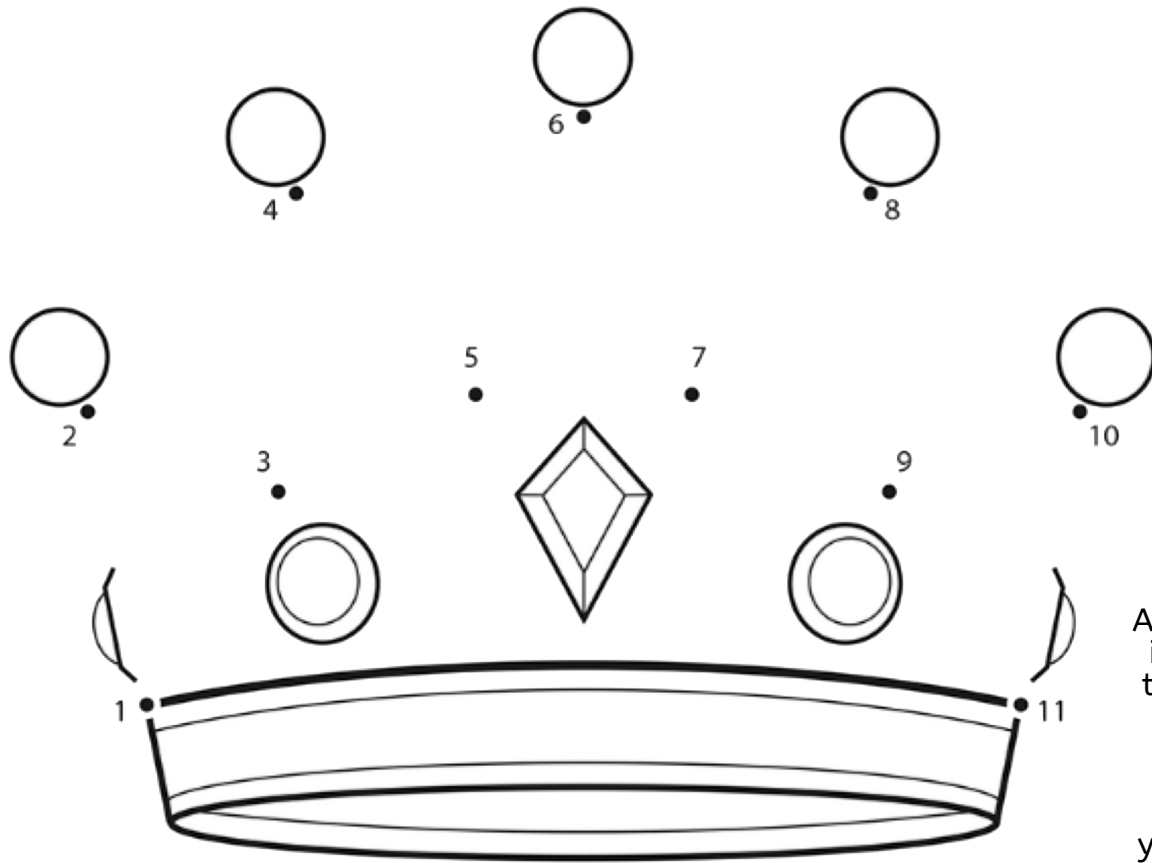

There is a verse in the Bible book Isaiah that says: 'Joy and gladness will be found in her, thanksgiving and the sound of singing.' (51:3). I hope you have the flag of King Jesus on display in your life!

Design your flag that lets everyone know Jesus is King of your life!

The Bible tells us in Revelation a little bit about the future God's people will have with their King after this life. It will be **perfect**. Even better than the happiest thing you can think of! Look up Revelation 19:16 to find out what it says about God:

KING OF KINGS  
AND LORD OF LORDS

Ask a grown up if they can put the song ***Jesus, Strong and Kind*** by ***CityAlight*** on YouTube for you to listen to

#### Prayer...

- I praise you because you are the strong and good King who loves me. Help me to show others your flag of joy and tell them you live in me.

#### Verse to learn & colour:

"Who is this glorious  
king? The Lord,  
strong & mighty"  
Psalm 24:8

Next Week: God is...

**Love**
