## GETTING TO KNOW GOD

We have discovered so many things about our amazing God so far. He is....

**Almighty    Faithful    Eternal    Holy    King**

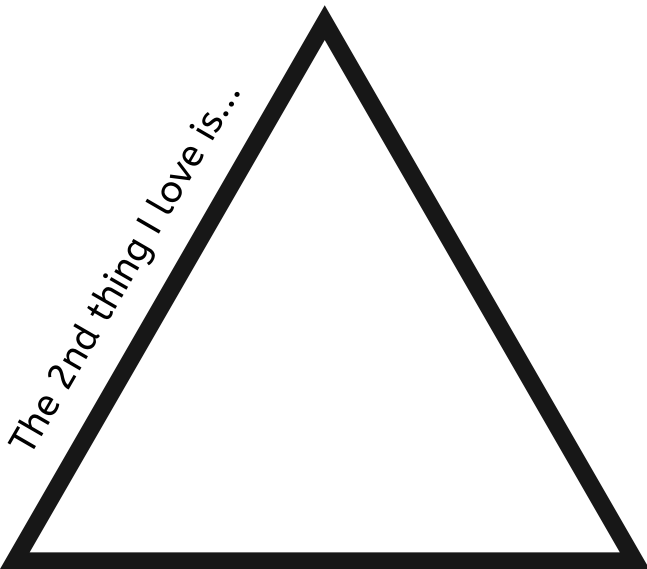

I think I've forgotten one??  
Can you help me remember

Do you love ice-cream? I do! The taste is just so nice - especially with sprinkles and strawberry sauce. I love ice-cream!

But God's love is different to the way I love ice-cream. It is SO much more. The Bible tells us that God loved the world even though the world hated Him. He loved it so much that he did something so amazing for it and gave it the most precious thing He had: His own Son, Jesus. Through His love He could make the bad good by dying on the cross for us and conquering death. We love, because God first loved us.

**Can you draw 3  
things you love???**

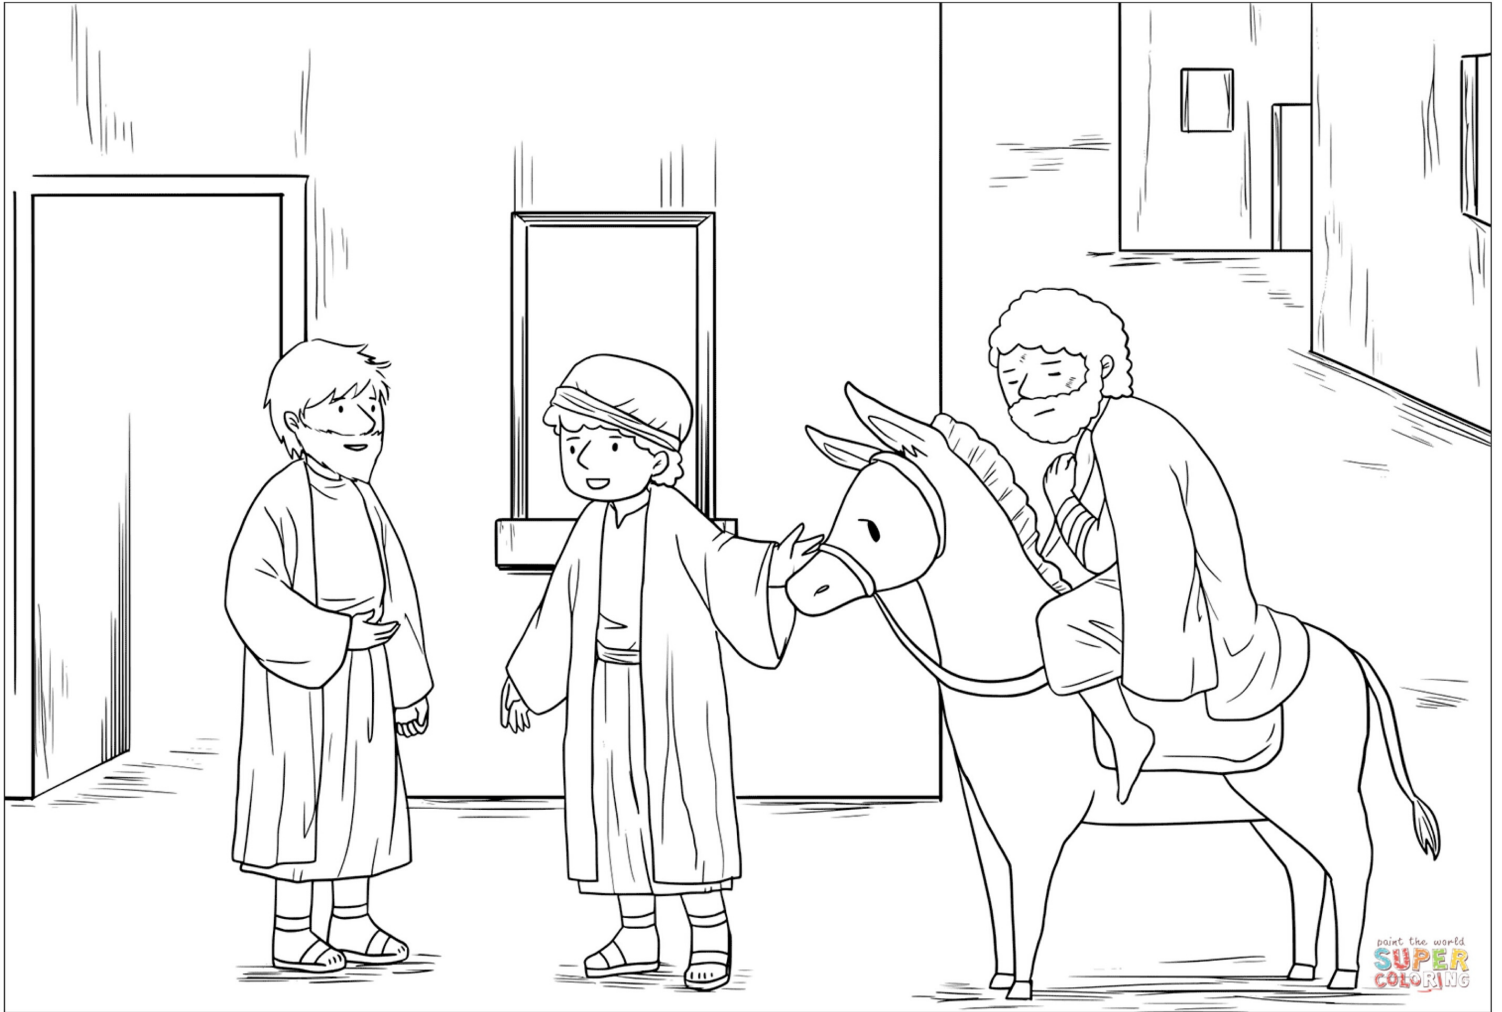

The 1st thing I love is...
