## GETTING TO KNOW GOD

We have been learning that God is....

Love **Almighty** **Faithful** *Eternal*  
**Holy** **King** **Creator**

But that is just the start. God is so amazing we can never learn all the things there are to know about Him. Including this week we will have 3 more worksheets before taking a holiday

Do you know what peace is? If mum or dad or your brother or sister or a friend asked you what is peace, what would you tell them? I think it's quite a hard word to explain. Sometimes we can get worried or anxious. God reminds us over and over again not to be afraid. Why? Because He promises to be with us. He has given us his peace. Jesus said:

"My peace I give to you... So don't let your hearts be troubled."

Not long after he said these amazing words Jesus did something amazing that brought peace and healing.

**Let's read the story found**

**in Luke 22:47-51** Read the pictures to complete the story...

"While Jesus was , a crowd came up. **1** of the **12** apostles was leading them. It was Judas. He came close to Jesus so he could kiss him. But Jesus **Spoke** to him, "Judas, are you using the kiss to give the Son of Man to his enemies? The followers of

Jesus were standing there too.

Peter used his . He cut off the right of the servant

of the high priest [called Malchus]. Jesus said: .

Then he touched the servant's and healed him."

What an amazing story! Jesus was innocent and was about to be arrested and instead of fighting back he heals the injury of those wrongly arresting him. He truly is the God of peace!
