Kenny is going to be taking the grown-ups through the book of Acts so why don't we join them in this adventure!

*today we will discover
God's greatness and
His power over illness*

Let's get stuck in and read (or get a grown up to read):
Acts 3v1-10

(Acts 2:4 for a clue)

Jesus had died, rose again to life and had returned to heaven. BUT his disciples were not alone.

Who was with them? God The H _ _ _ S _ _ _ _ _

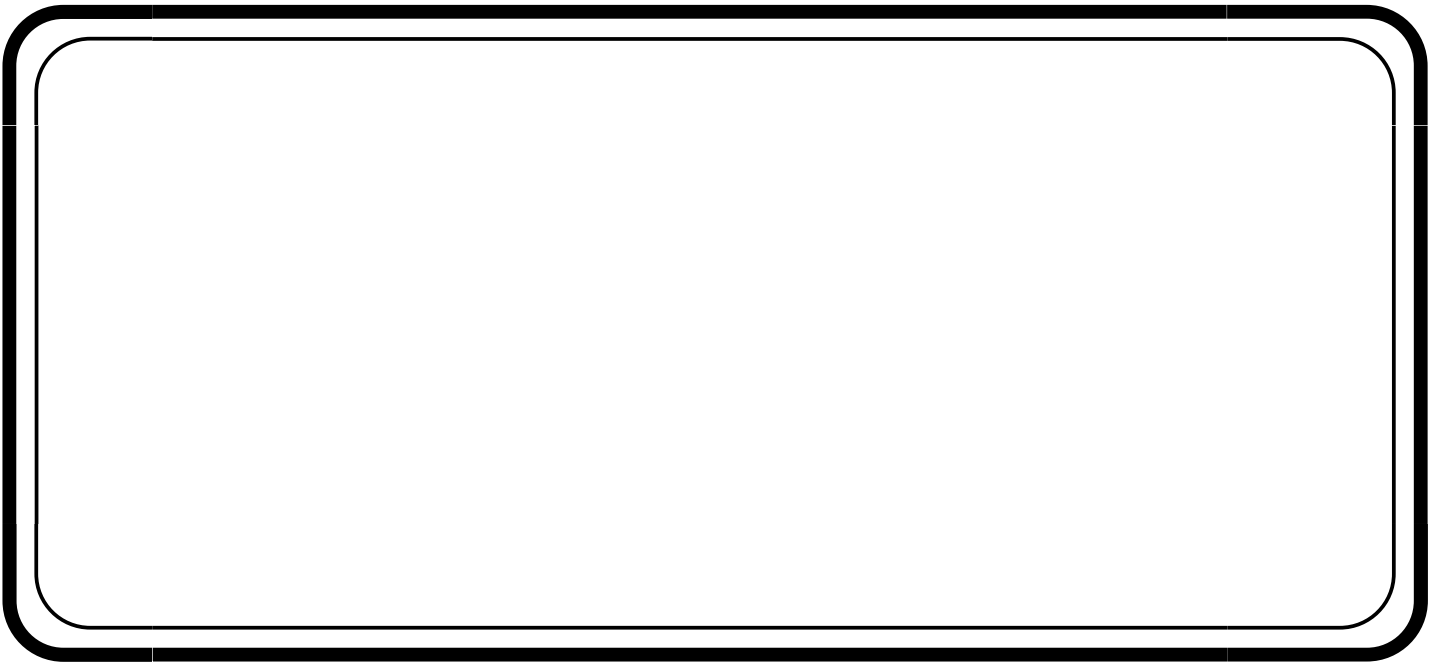

*Do you remember the story from the Bible reading?
Colour the correct word to retell this amazing event...*

Peter and **Abraham/John** met a man at the temple gate. The man was **lame/blind**. He could not walk. The man asked for **stones/money** but **Peter/Paul** and John had none. They **did** have the power of Jesus Christ! Immediately, the man's feet and **wrists/ankles** were strong and he **jumped/floated** to his feet and began praising God.

*It was an amazing miracle that God performed through his faithful servants
Peter and John!*

Draw the man walking then leaping and praising God!

'Come, let's
bow down and
worship him..'

*Do you know what Psalm this verse is from? It's verse 6.
Send in your answers & guesses to Carina.*
