Hello Sunday Club!

Our last parable from Jesus, before looking at the Christmas story together is found in

Luke 18:9-14

Jesus told this parable to those who were proud of their good deeds and looked down on others.

Colour in the letters with dots to discover who the men in this parable were

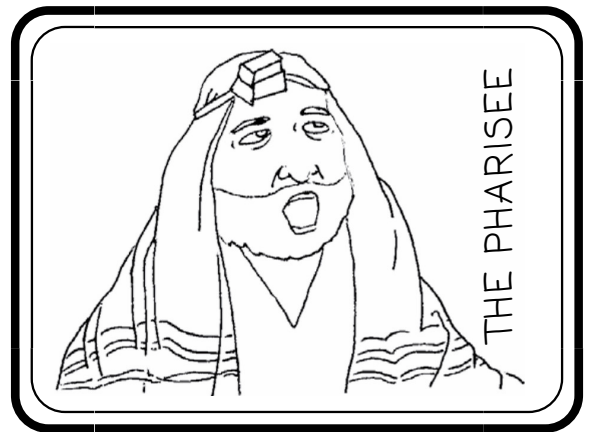

xoPhariseeoX

Taxocollector

Read the parable in Luke 18:9-14 and do the who said it quiz by joining up the word bubbles to the picture of who said it.

I give away a tenth of what I have

Thank you that I am not like other men

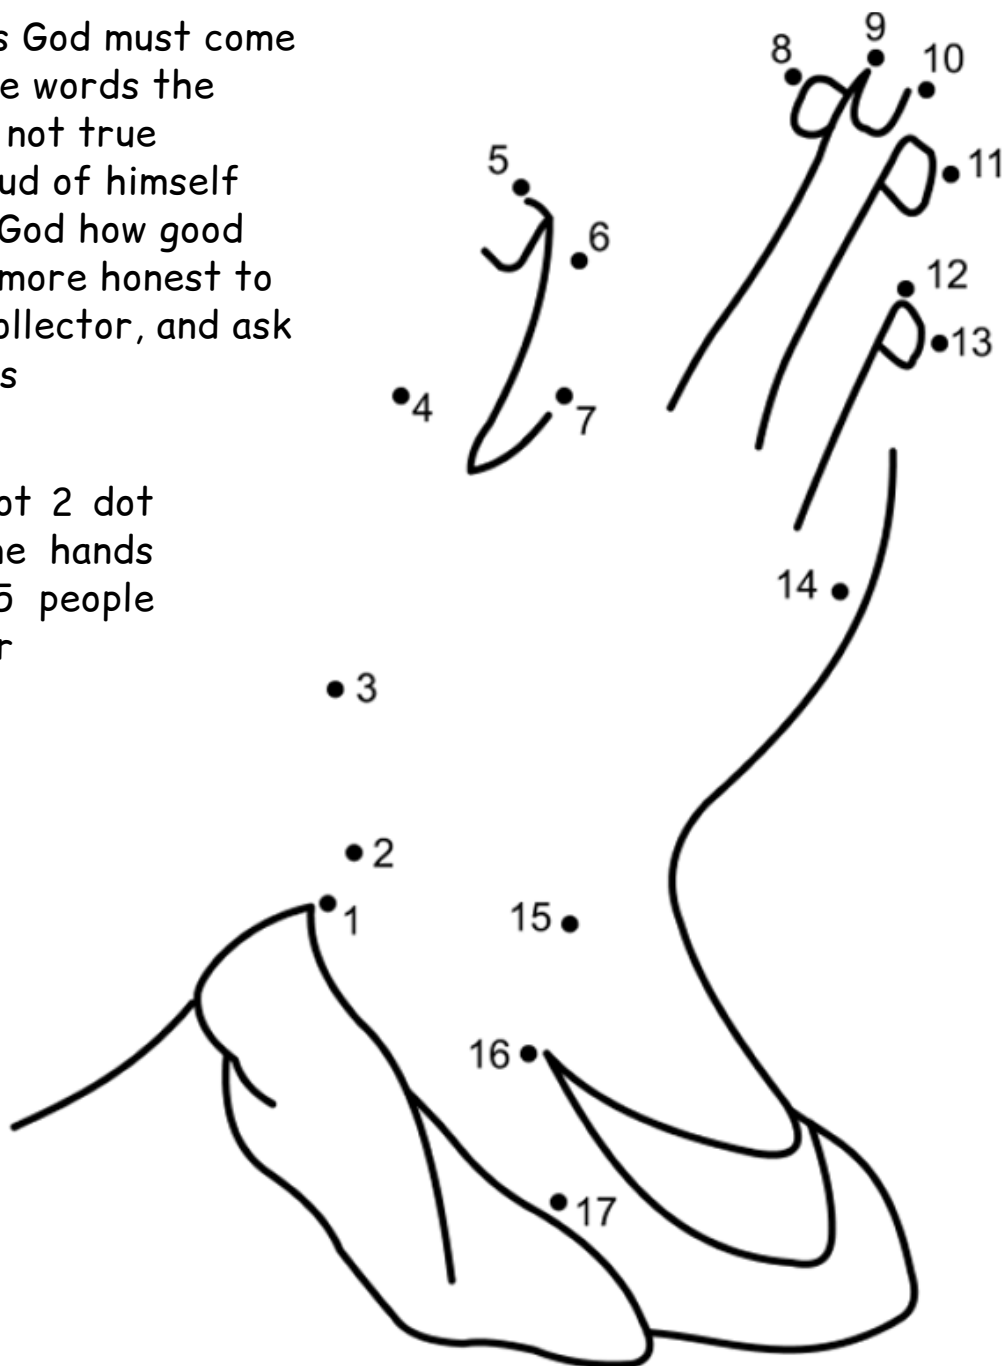

I fast two times a week

I am a sinner

Prayer that pleases God must come from our heart. The words the Pharisee said were not true prayer. He was proud of himself and wanted to tell God how good he was. It is much more honest to pray like the tax collector, and ask God for forgiveness

Complete the dot 2 dot and write in the hands the names of 5 people you will pray for

A Bible verse to colour and remember !

"Jesus Christ is the same yesterday, today and forever"

Hebrews 13:8
