Encounters with Jesus

Today's Bible Story is found in John 4:1-42

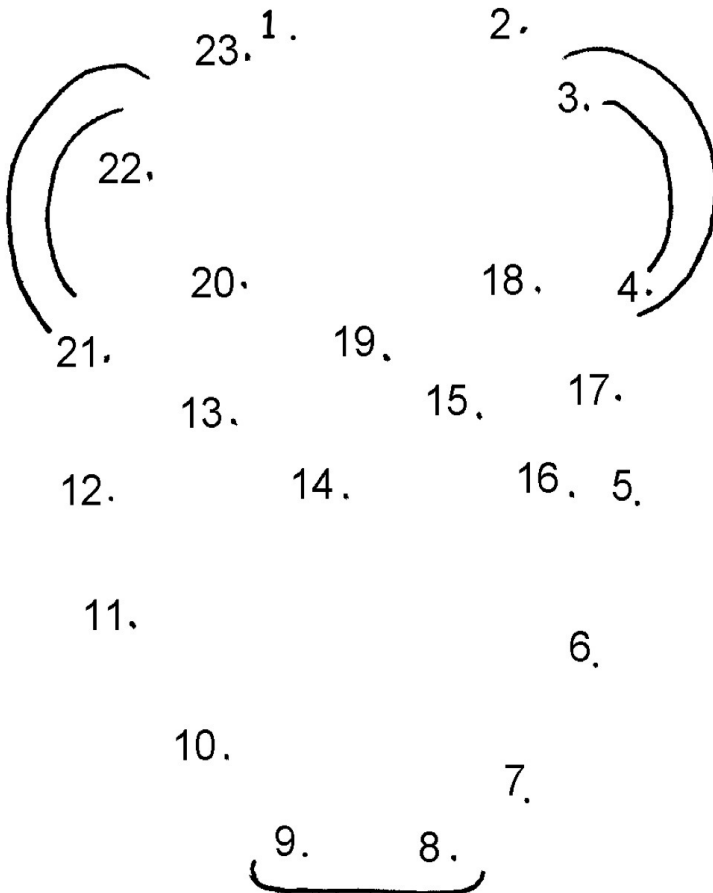

When people met with Jesus when he appeared on the earth their lives were changed. We are going to investigate some of the things that happened

Jesus met a woman at a well.
Colour in the well and draw a women beside it.

Jesus asked the woman for a drink. She had a jar for water.
Join the dots to draw her water jar.

The woman was very surprised when Jesus asked for a drink. Draw her surprised face here.

Who said it... match the words to the correct person who said it

Will you give me a
drink of water,
please?

Teacher, give me
this living water.

I am the Messiah.

How can you give
me living water?

How can you ask
somebody like me for
a drink?

**Jesus**

Can you colour and remember the words of this week's Bible verse...

'And you must love
the Lord your God
with all your heart,
all your soul and all
your strength.'

Deuteronomy 6:5

Remember: send in your videos saying the verse! It is so important to keep God's word in our hearts and minds.
