

NAME _____

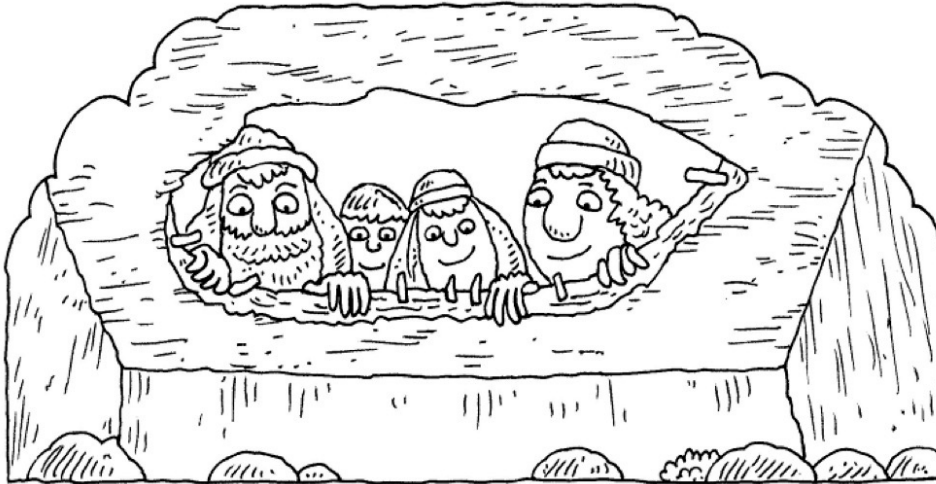

Encounters with Jesus

Last week we learned that Jesus asks us to focus on Him and not get worried and upset about what's going on in our lives. He taught us this in his meeting with 2 sisters called....

M _ _ _ and M _ _ _ _ _

Today we are going to learn about a paralysed man, his group of friends and what happened when they met Jesus. Our Bible passage is in Mark Chapter 2 verse 1 to 12 ... Can you number the story pictures in the correct order?

The friends had great faith that Jesus could heal so they made a hole in the roof

#

News had spread Jesus was home and lots of people wanted to hear him preach. The house was full and there was no where to stand even outside the door

#

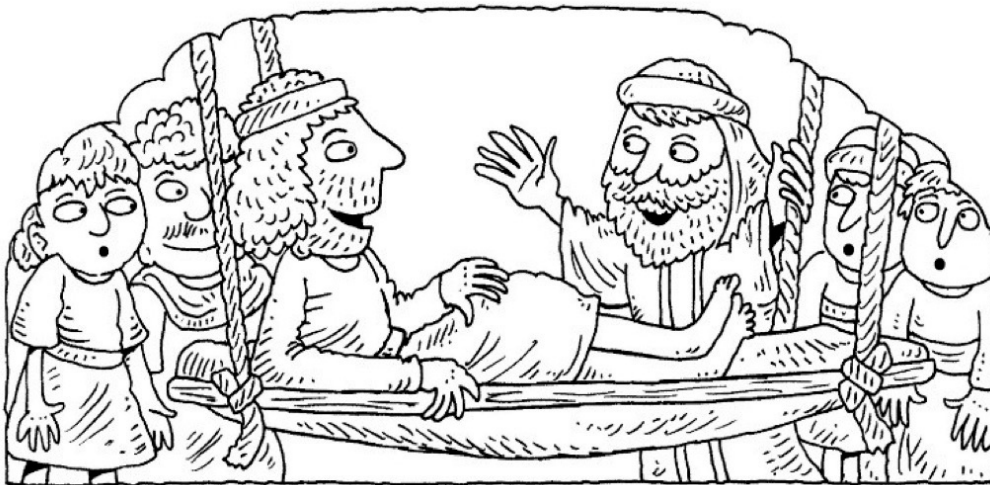

Four people carried their friend who was paralysed to see Jesus because they had great faith that He could heal their friend

#

Immediately the paralysed man stood up, picked up his mat and walked out while everyone was watching

#

Jesus, seeing that his friends had faith in Him said first 'Young man, your sins are forgiven.' and then he said: 'So that you will know I have the authority to forgive sins... Stand up, take your mat and go home!'

#

This man's life was completely changed by Jesus. As soon as Jesus spoke he could walk. BUT it is important to notice that Jesus shows us it is even more important to have our sins forgiven and he is able and just to forgive us... have faith in him!

Pray: Ask God to forgive your sins. Thank him for it!

Can you colour and remember the words of this week's Bible verse...

**'I praise you because
I am fearfully and
wonderfully made'**

Psalm 139: 14a

Remember: send in your videos saying the verse! It is so important to keep God's word in our hearts and minds.
As you colour in there is a song for you to enjoy - catch it on the webpage
